

Sponsored Pray for Number 36 Update

Neil, Joel and Jeremy completed the St. Albans Half Marathon on Sunday 10 June in the searing heat, and we want to thank you for all the prayer you have done

You have exceeded the "36 hours of prayer" target so thank you for fulfilling your sponsorship promises. A special thank you to homegroups. We have had exciting news of what God has been saying - and the water came back (catch up with Alison for an explanation.)

Please let us know anything that the Lord revealed to you, and keep praying for the work. Thank you for praying for us - knees and other body parts coped well!

For those of you interested in the times, Neil came in first in 1:53, Joel 2:05 and Jeremy 2:07
